

SOFT DON'T MEAN SAFE

Welcome to the sweetest armory ever built. Adorable, right? It's bright, it's colorful and smells like strawberry. But soft don't mean safe. Everything in here is loaded, sugary, and one squeeze away from popping. Spin the reels and be careful. This ain't a normal candy world.

GAME FEATURES

CLUSTER PAYS & CASCADES

Wins are formed by clusters of 5 or more matching symbols connected on the grid. Winning symbols explode and new ones drop in from above. Cascades continue for as long as new wins keep forming.

CELL MULTIPLIERS

Every cell that takes part in a win activates a x2 multiplier. Each additional win on that cell doubles it, up to x1024. Cluster payouts are multiplied by the sum of all active multipliers under the cluster. During Free Spins, multipliers never reset, they keep doubling for the entire bonus.

TNT PRISONER

A caged gummy bear can land on any spin (1 in 41 chance). The mascot bear throws TNT at its exact cell, blasting away most of the board and leaving multiplier on close cells around the explosion. The board refills and the resulting cascades pay over the freshly seeded multipliers, all within the same spin.

PLANE BOMBARDMENT

A random aerial strike (1 in 100 chance): a plane drops three bombs that leave multiplier craters on the board before the symbols drop.

FREE SPINS

Triggered by 3+ Scatters: 3/4/5/6+ Scatters award 8/10/12/16 free spins. 3+ Scatters during the bonus retrigger +5 spins. Cell multipliers persist and keep doubling across all free spins, and the TNT Prisoner and Plane Bombardment features strike more often during the bonus.

SUPER BONUS

If 1 of the triggering scatters is a golden scatter, it upgrades the bonus to the Super Bonus: the same free spins, but the board starts with a pre-seeded diamond-shaped multiplier field. x32 at the center, scaling down toward the edges.

MISTERY ROUND

A mystery round resolved by the bear's slot-machine eye: it randomly Awards one of the game's features – TNT Prisoner, Plane Bombardment, Free Spins or the Super Bonus.
